factory  
overview

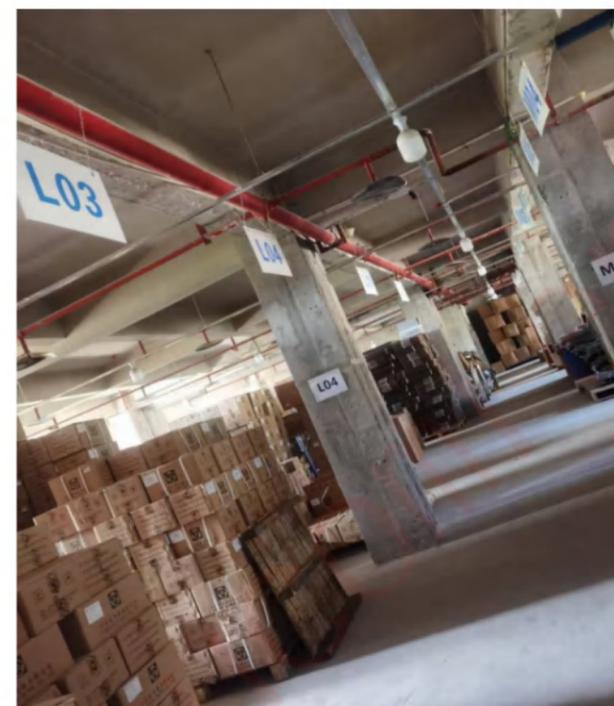

Founded in 1997, Chongqing Guanglian Qingling Auto Parts Co., Ltd. is located in Baishiyi Jiulongpo District, Chongqing, China. We are one of the largest truck parts distributor in China.

We mainly sell full spare parts for heavy truck, model cover: ISUZU(NPR NKR ELF FRR FTR GIGA D-MAX), HINO(300 500 700), MITSUBISHI(FUSO CANTER), main products are China Qingling Isuzu original parts and Japanese truck original parts, also supply spare parts for European truck model Benz Volvo Scania Man etc.

Since its inception, the company has always adhered to the "quality first, reputation first, efficient and efficient, dedicated service" business philosophy. With the professionalism of the sales team, the stability of high-quality products, and the long-term service of efficient service, it has won the recognition and reputation of customers. Through technology introduction and first-class management level and perfect after-sales service system, the company has established a strong network marketing system at home and abroad, and has close cooperation and trade with hundreds of companies. The products are exported to the United States, Europe, Africa, and other international markets.

The Factory is located in Baishiyi Jiulongpo District, Chongqing, China.

Looking forward to the future, we keep a modest and prudent attitude to provide more premium products, and strive to become the top auto parts supplier in the world.
